

# SAFETY IS FOR

YOU

CO-WORKERS

FAMILY

**SAFETY RULES ARE TO BE STRICTLY OBSERVED ON THE TERMINAL AND /OR ON VESSELS /BARGES ETC.  
BY ENTERING THE TERMINAL YOU ACKNOWLEDGE TO UNDERSTAND AND AGREE THESE AND OTHER SAFETY RULES.**

**Do not drive past red line alongside quay, danger!**

During work in operational areas it is obligated to wear an approved safety helmet on the terminal.

Do not block crane tracks.

Wear personal protective equipment; think about safety/reflective clothing!

Stay clear of operations in vehicles/containers.

It is obligated to wear safety shoes.

Do not leave any garbage behind.

Beware of falling when working on heights. Use of safety harness required, for example when working in a cherry picker.

On the terminal 15 km/h is the speed limit. Further Dutch road regulation is applied. Beware: RHB traffic precedes pedestrians and/or other traffic.

Where indicated or if written in (work) instructions eye and/or ear protection is required.

It is strictly prohibited to be found under (lifted) cargo.

Where indicated or if written in (work) instructions: dust or breath protection is required.

Beware of driving equipment/machinery.

It is not allowed to enter or leave a vessel, or any form of floating equipment, by other means than the gangway.

Beware: You are working on the terminal or on (floating) equipment/machinery with relevant hazards: stay alert!

Please note that the terminal is under constant camera surveillance.

It is strictly prohibited to find yourself in the reach of cranes/machinery; always make eye contact with the driver. Do not place yourself behind any machinery.

If an accident occurs there is a reaction plan: you are to follow the instructions of the assigned rhb staff.

All our operations are subject to the 'Rotterdamse Stuwadoorscondities 1976'. Entrance at your own risk/cost.

The use, possession and to be under the influence of alcohol and drugs is prohibited.

## Emergency contacts

rhb-operations +316 - 51 08 63 07  
rhb-office +3110 - 429 94 33

In case of emergency always notify rhb-operations.  
Emergency number 112
